Significant Dates

In-Residence (HK) – August 16-28, 2009

Program participants form close bonds with each other in this 2-week residence experience. A typical day consists of classes at the Ivey campus in the HKCEC 08:00 to 18:30 with social / team / individual preparation time to follow in the evening.

Joint Residence (Canada) – September 5-12, 2010

This is a unique opportunity for HK participants to meet and work with their Canadian counterparts. During this 1-week period, the two groups will share classroom, social, and cultural experiences, building lifelong friendships internationally.

Executive Client Field Project – May 2010 to January 2011

This is your finale project in the EMBA experience. You are required to integrate your learning and develop a strategic plan for presentation to the senior management of an external client company.
